

TOTAL-COMFORT™

Soft Tip Aspirators

Original Total-Comfort soft tip aspirators offer the first truly cushioned, patient-friendly design.

Hard plastic tip saliva ejectors are just that—hard! They pinch lingual surfaces, jab the mandible and aspirate tender tissue. Here is a truly comfortable solution—so comfortable, it's patented!

Total-Comfort Soft Tip Aspirators feature cushioned, flexible, patient-friendly tips. Tested and proven to be gentle on soft tissue and bone, Total-Comfort also reduces soft tissue aspiration. Elastic tips are securely bonded for safety.

100% non-latex. 6" long. 100 aspirators per bag with blue or clear tips and white or clear tubing.

11611 Blue Tip Total-Comfort Aspirators

11610 Clear Tip Total-Comfort Aspirators

Specify white or clear tubing when ordering.
